* Represents that we usually provide generic brand. Upon expiration of patent of originator product, other qualified pharmaceutical companies can produce the same medication (generic brand), usually at a more affordable price. These generic medications are still subject to stringent review by the Department of Health prior to their registration in Hong Kong. Most of the generic medications supplied by us are manufactured in Western countries.

注意：自費藥物配藥前，建議可先以Whatsapp傳醫生處方以確保藥物數量足夠及處方無誤。
